We offer car and van contracts from just 1 month upwards. Please enquire and please check our great price along with our excellent service levels. If you don't see what you want we do have alternative makes and models arriving daily.

Your circumstances are almost certain to change on the next 2, 3 or 4 years so why shouldn't your car?

We would love to help you compare the cost of operating vehicle/s so if you don't want to do the maths we will. We offer both short and long term vehicle contracts. Price attract vat.

All of the **Benefits** – None of the Drawbacks

Apparently short term leasing is a new way to operate a vehicle lease in these uncertain times. Well its not new. Established in 1996 we have delivered over 25000 vehicles to business and personal users throughout the UK.

These short term contracts can be used for a variety of solutions here are just a few scenarios and benefits.

Benefits

Costs associated with long term leasing without commitment

Not tied to long term contract No residual risks

Breakdown Assistance Included Brand new vehicles

No service costs*

Change your car for a new every few months

Scenarios

New employee or new job Cash for car option

Seasonal increases in business Replace expensive daily rentals cars

Your long term lease not giving you enough mileage

Pre Contract vehicles

Both cars and vans supplied more often from stock.

Business and personal users welcome. We will not just sell you a contract we will advise you if required. You will see hundreds of deals on the internet which drive you to look at the cheapest monthly advertised rate, think of it like flight bookings, the devil is in the detail.

We have contracts on cars and vans available from 3 months upwards on most mileages required.

A new car or van every few months is possible with us **want to learn**

We have a number of clients who have replaced their vehicle every 6 months every year for the past 20 years.

Product List

The vehicles on the enclosed list are just a sample of current models available most of which are available within 7 days.

This list will change almost daily so as ever if you don't see what you want please call 01283 714900 or e-mail: sales@flexiblevehicles.com

Mileage Allowance

Different vehicles come with different mileage allowances and even different length of contracts so please do enquire if you require an alternative mileage allowance on any vehicle.

Contract Length

We can offer vehicle contracts from 28 days to 4 years so once again please do enquire for any requirement on any car or van you may have.

Vehicle insurance

A copy of your insurance policy is required prior to delivery or the release of any vehicle. We can give you details of insurance providers if you require any assistance with this.

Delivery Available

We offer a delivery service for those clients who require and delivery is always to the business or personal address at our discretion. A cost may be charged for this.
